Managing Social Media

OBJECTIVE

Seeking a summer co-op or internship to apply skills, broaden knowledge and gain experience in the field of Media Sciences. My interests include, but are not limited to, front-end web development, digital publishing, visual design and imaging. Availability: May 2018 - August 2018

EDUCATION

B.S. Media Arts and Technology - Anticipated May 2018
Rochester Institute of Technology (R.I.T.) - Rochester, NY
GPA (as of May 2017): 3.6/4.00

AWARDS

Dean's List: Spring 2014-Fall 2016

EXPERIENCE

Web Designer - Summer 2017

Student I.T. Office - Rochester, NY

Assisted with creating visual designs for SITO websites, marketing material, and social media. Gained extensive experience in designing wire-frames for mobile and desktop applications. Worked on a multi-disciplinary team and interacted with a diverse group of clients at R.I.T.

Content Developer - Feb. 2017-Present

Teaching and Learning Services - Rochester, NY

Assist in developing and maintaining content for R.I.T. courses through learning management systems known as edX and myCourses.

Communications Intern - Summer 2016

Capital District YMCA - Albany, NY

Designed, created and maintained content for the official Capital District YMCA website, Facebook page, and other digital and print publications. Gained experience in using Adobe InDesign, WordPress and managing social media accounts.

General Technician/Coordinator - Sept. 2014-Present

R.I.T. Tech Crew - Rochester, NY

Assist with the setup and operation of power, sound system and lighting design for events. Coordinate with student associations and academic departments of R.I.T. to organize campus-wide events.
